

Robert Hendrickson

58th Connecticut State Representative Candidate

Hello Friends,

I never thought I would be writing a letter like this. However, after seeing our State Representative's willingly give up their job of representing the people for the past 2 years, I have decided to be the change by running for Connecticut State Representative in the 58th.

I've been employed in Enfield for the past 37 years, and have called Enfield home for the past 15 years. I know our residents value someone who will work hard! It's time to elect a representative in the 58th district who has lived paycheck to paycheck. Now is the time for representation that will utilize your hard-earned tax dollars responsibly and with respect.

Along with the love and support of my family, I also need votes, and monetary donations to win this campaign. May I count on your support and generosity with a donation in any amount from \$5.00 to \$290.00?

Your help will allow me the opportunity to be the change needed in Hartford and fight for Enfield.

Thank you in advance for your support and remember to vote November 8th Row B, BobHforthe58th.

All the best,

Bob
